

We will have a portable forage analyzer to demonstrate on-site forage quality testing.

Bring your hay samples to the meeting and have them tested!

## Southeast PA Crops Summer Twilight Meeting Featuring Hay Quality & Forage Testing

**Thursday, September 10, 2015**  
**4:30 - 8:00 p.m.**  
**490 Skyline Drive**  
**Bernville, PA 19506**  
**(look for signs and tent)**

Join us for our annual twilight meeting with our host Kelly Dietrich and family. This meeting will focus on the production of quality alfalfa hay.

We will have equipment on-site for various demonstrations, and will also be featuring a portable analyzer which will assess forage quality in the field!

Registration is **FREE**, which includes dinner. To plan for meals, pre-registration is required.

Deadline to register is **September 3**. Don't delay, register today!

If you have questions, please contact Dwane Miller, 570-622-4225, x14.

**To register online, visit:**
