February 2, 2015

Dear Potential Exhibitor:

On Friday, March 6, 2015, from 8:30 AM to 11:30 AM, the Berks Agricultural Resource Network (B.A.R.N.) will be hosting its sixth agricultural career fair. Each year the number of students and exhibitors has increased. In order to continue the growth of this worthwhile event, B.A.R.N. is asking you to consider exhibiting as an agri-business or non-profit member. Participating in this event is an excellent opportunity to share your knowledge and enthusiasm for agriculture and its many related industries. You will have the opportunity to share your experiences with interested traditional and non-traditional students. It is also an excellent occasion to meet potential summer interns, volunteers, or provide job shadowing opportunities.

There is no cost to exhibit; however, donating a door prize for a student participation drawing would be greatly appreciated. Please complete the enclosed Exhibitor form and return it by **Wednesday, February 18, 2015** to the address provided. The enclosed poster will be distributed to guidance counselors and agriculture or science teachers within all Berks County high schools. If you would like extra copies of this poster to assist in promoting the fair, please contact Tami Hildebrand at 610-378-1844 or thildebrand@countyofberks.com.

Thank you, in advance, for your participation!

Carl A. Brown
B.A.R.N. President
